TENANT CONNECTIVITY GUIDE

Your building works with IMG to ensure that tenants have secure, reliable connectivity. IMG can help tenants order and install Voice, Data, Internet and Cloud services.

Call IMG at 888.464.5520 or visit www.img-connect.com to get started.

Identify What You Need

IMG helps you figure out what services you need based on your business needs and timeframe.

Order Services

IMG can order services on your behalf — or connect you with dedicated carrier sales teams if you want to order these directly. IMG helps you schedule service orders to ensure that your business is up and running when you move in.

Install Services

IMG technicians can install all inside wiring as well as the Voice, Data, Internet and Cloud services in your suite.
